Members in Attendance: Susan Harvey, Nick Marquart, Chris Volbrecht , B.K Richards, Chad Wittstrom, Charlie Whitney, Jesse Hill, Maria Lorca, Melissa Boggs

Staff members in Attendance: Karen Nall, Co Planning; Kami Griffin, Co Planning; Kim Murry, City of SLO; Ron Whisenand, City of Paso Robles; Richard Marshall, Co Public Works; Aeron Arlin Genet, APCD;

Others in attendance: David Mena, Lynda Auchinachie Co Ag Department; Sue Luft, Susan DeCarli City of Paso Robles; Kathryn Sweet

Karen Nall requests any Public Comment for items not on the agenda. None received

Karen Nall notes that the committee is subject to the "Brown Act" and will take Public Comment and post agendas then reviews letter from Paso Watch - goes over items requested.

Karen Nall will look into whether information can be placed on the Department's Web Page and will report back.

Karen will look into how many Blue Ribbon Committee members can gather outside of meetings and not be in conflict with the Brown Act. Discussion ensues regarding the two year time frame allotted to a blue ribbon committee and the group must provide a status report within 8 months from the first meeting or by June 2007.

Minutes from the last meeting are presented. Committee asks that the attendees listed be divided between staff and public.

Minutes are approved as submitted by Committee.

Revised Work Program presented.

Discussion ensues about Work Program. Modifications are made to Section B and New Sections C and D are added. Karen will revise and return with the Work Program next meeting. Committee agrees to revise Work Program.

Karen begins presentation on Case Studies. Presents Spanish Lakes and a 2-way division as two different kinds of Receiver Sites that use different parts of the ordinance.

Next meeting Karen will continue with presentation of Case Studies including Sending Site Applications and a denial application. The Committee will also discuss "What were the identified problems with land use that the TDC Program was created to solve?"
